FEDERAL BUREAU OF INVESTIGATION

1

Date 7/22/64

Lieutenant ROY ALLEMAN, New Orleans Harbor Police, advised that his agency is in no way connected with the New Orleans Police Department, but is a separate and distinct law enforcement agency. He informed that his agency is under the control of the Board of Commissioners of the Port of New Orleans, an agency of the State of Louisiana.

Lieutenant ALLEMAN advised that he recalled an incident wherein an individual was distributing leaflets on the Dumaine Street Wharf at the time the "USS Wasp" was berthed during June, 1963. Lieutenant ALLEMAN stated that he recalled that Harbor Patrolman GIROD RAY had been contacted by a member of the United States Navy and requested to locate an individual who was passing out leaflets on the Dumaine Street Wharf, near where the "USS Wasp" was berthed. As a result, Patrolman RAY located this individual, name unknown, and asked him to leave the premises. Lieutenant ALLEMAN stated that no arrest was made and that this person, upon request, did leave the Dumaine Street Wharf. Lieutenant ALLEMAN informed that Patrolman RAY obtained two leaflets that this unknown individual had been passing out and recalled that one of these leaflets had "something to do with Cuba" but could not recall any additional information.

Lieutenant ALLEMAN stated that he did not personally observe the individual passing out the leaflets and that he could furnish no additional information regarding this incident. He stated that the records of his agency do contain a brief, typewritten report made by Patrolman Ray as well as two of the leaflets which were being distributed by the unknown individual.

Lieutenant ALLEMAN furnished the original report of Patrolman RAY , dated June 16, 1963, and the two leaflets described as follows:

1. A yellow-colored leaflet entitled "Hands Off Cuba."

2. A white-colored leaflet entitled "The Truth About Cuba Is In Cuba."
